Q&A

Q1: What should I do if the buttons are not working?

A1: Please re-connect the original charging cable to try, if the buttons still has problems, please contact us at service@pauchy.net

Q2: Why can't I charge my iPhone with the wireless charging station? Is it possible to charge my iPhone with a case?

A2: Please ensure that your iPhone supports wireless charging. This station support charging for iPhone 12 and above models. If you're unsure, please contact us for assistance. Additionally, avoid using a phone case thicker than 2mm to achieve optimal charging efficiency.

PA

14

Q&A

Q3: Can this charging station charge iPad?

A3: Unfortunately, all the iPad models do not support wireless charging at this time.

Q4:How many alarms can be set at most?

A4: This lamp allows you to set a maximum of 2 alarms, and you can choose to have both alarms active at the same time or only activate one of them.
