Class II Permissive Change Letter

Date: January 17, 2023

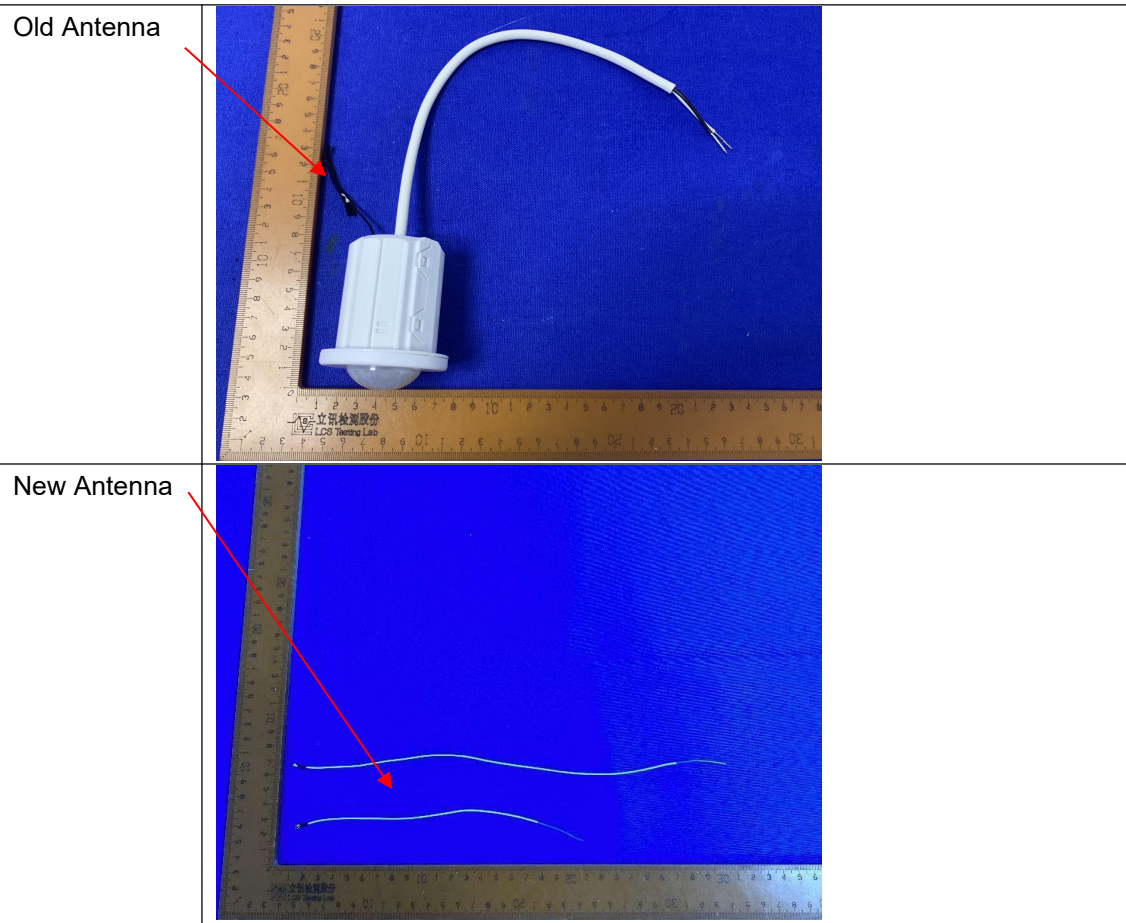

FCC ID: **2AG4N-CYRUSAP**

To whom it may concern:

We, the undersigned, hereby attest to the fact that we will apply the class II change. The hardware of this equipment is electrically identical with original, only the follow changes to the original but still compliance of relevant standard.

The only difference is the addition of two specifications antenna, chip power and components all specifications have not changed.

As RF circuit and Antenna keep the same with original approved one, We added two types of antennas without changing the RF circuitry, Field Strength of Spurious Radiation testing was performed to demonstrate RF compliance.

Sincerely

Dennis Kwan/ CTO
