Federal Communications Commission Laboratory
7435 Oakland Mills Road, Columbia MD 21046

6/1/1999

FCC ID: K3Y-38SH-001

Dear Mr. Coperich

Please accept the application for the approval of the K3Y-38SH-001 Point to Multipoint 38 GHz System to the FCC Part 101 Type Acceptance requirements. The system is similar to the previously approved, except for the change to the frequency band. The Files have been submitted electronically to the Federal Communications Commission Laboratory

Regards

John Rymkiewicz
