EUT View 7

Model: CH-C08D(white)

EUT View 1	 A photograph showing the front view of a white, cylindrical smart lock. The lock has a black lens in the center and a small gold-colored sensor above it. A white cable is attached to the side. The device is placed on a blue surface next to a black ruler with white markings. The ruler shows measurements in centimeters and millimeters.
EUT View 2	 A photograph showing the back view of the same white smart lock. The back features a circular speaker grille, the Aqara logo, and various certification marks including ENEC, CE, and FCC. A white cable is attached to the bottom. The device is placed on a blue surface next to a black ruler with white markings, similar to the first view.
