

Date: 1/24/25

SUBJECT: FCC Application for FCC ID: 2BGQ6WW100

To Whom It May Concern:

We are submitting an application for a Class II Permissive Change to the FCC approval of:

Company name: AetherRF LLC

Product Description: WW100 / Wiegand Wave is a wireless wiegand bridge device for access control applications, allowing users to wireless transmit wiegand card reader data from one point to another.

FCC ID: 2BGQ6WW100

Original Grant Date: 07/8/2024

The transmitter module itself has not changed. Here are the changes:

- The two screws attaching the radio module PCB to the larger PCB have been changed from metal screws to plastic standoffs.
- The chassis has changed from a metal chassis to a plastic chassis
- A second higher gain antenna ANT-915-IPW1-RPS has been added to be certified for sale
- The label has been changed

Sincerely,

Client's signature:

A handwritten signature in black ink that reads 'Danette Sosna'.

Client's name and title: Danette Sosna
