Dear Sir/Madam: **Our File Ref. 9R05172.1**
 FCC ID: HE7R2R
 Applicant: EXI Wireless Systems Inc.
 Equipment: Standalone Superheterodyne Receiver
 FCC Confirmation no.: EA95998

We have successfully electronically filed all the required documentation for an application for certification in accordance with FCC Part 15 on the above mentioned equipment, November 17, 1999. Enclosed, please find a cheque in the amount of \$365.00 US, a copy of FCC Remittance Form 159, a copy of the FCC Form 731 confirmation number and a copy of the list of exhibits.

Please note that I made an error on the Form 731. Under item 13 of the FCC Form 731, it asks if the equipment in this application is a) a composite device or b) part of a system. It is b) part of a system but under c) The related application has been filed at same time as this application under the FCC ID listed to the right. The FCC ID for the related application should be HE7MAX not HE7R2C as stated. Please correct this on the Form 731. I apologize for any inconvenience this may have caused.

If you require additional administrative information, please do not hesitate to contact me at 1-800-563-6336 (extension 232). If you require additional technical information, please contact Mr. Russell Grant at same (extension 223). Thank you in advance for your assistance in this matter.

Sincerely,
