Gentleman:

In accordance with 0.459 of CFR 47, LG Information & Communications, Ltd. hereby requests confidentiality of the Block Diagrams attachment, Schematic Diagrams attachment, Operational Description attachment, and Parts List/Tune-up Procedure attachment for the above-referenced type acceptance application.

Those documents contain detailed system and equipment description and related information about the product which LG Information & Communications, Ltd. considers to be proprietary, confidential, and a custom design and, otherwise, would not release to the general public.
