Re: FCC ID: 2ATMTWML-C40

To Whom It May Concern:

The following application is submitted on behalf of our client, Devicor Medical Products, Inc., for evaluation of their model WML-C40 for a C2PC certification under FCC Part 15.247.

Application is a C2PC to address module integration into four portable host devices. Host models are 1100, 1101, 1102, and 1104.

I have reviewed the application and supporting documentation and have found them to comply with FCC requirements. I recommend this application for certification.

Yours sincerely
