

Exhibit 1

Pursuant to FCC Part 2.933(b), the following statement is being provided with the request to change the FCC identifier for a distance measuring receiver-transmitter, the DME-900:

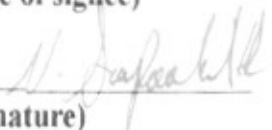

- The original identification used for the DME-900 is: AJK9URPN822-0329.
- The date of the original grant of equipment authorization is: September 28, 1994.
- The original test results continue to be representative and applicable to the equipment bear the changed identification with changes made to the equipment since the grant of authorization, September 28, 1994.

Nick Sarpoolaki

(Insert Typed name of signee)

April 19, 2005

(Insert date of signature)

A handwritten signature in cursive script, appearing to read "N. Sarpoolaki", is written over a horizontal line.
