2.(a) APPLICANT/AGENT CERTIFICATION:

I certify that I am authorised to sign this application. All of the statements herein and the exhibits attached hereto, are true and correct to the best of my knowledge and belief. In accepting a Grant of Equipment Authorisation issued by the FCC as a result of the representations made in this application, the applicant is responsible for (1) labelling the equipment with the exact FCC ID specified in this application, (2) compliance statement labelling pursuant to the applicable rules, and (3) compliance of the equipment with the applicable technical rules. If the applicant is not the actual manufacturer of the equipment, appropriate arrangements have been made with the manufacturer to ensure that production units of this equipment will continue to comply with the FCC's technical requirements.

Authorising an agent to sign this application, is done solely at the applicant's discretion; however, the applicant remains responsible for all statements in this application.

If an agent has signed this application on behalf of the applicant, a written letter of authorisation which includes information to enable the agent to respond to the above Section 5301 (Anti-Drug Abuse) Certification statement has been provided by the applicant. It is understood that the letter of authorisation must be submitted to the FCC upon request, and that the FCC reserves the right to contact the applicant directly at any time.
