

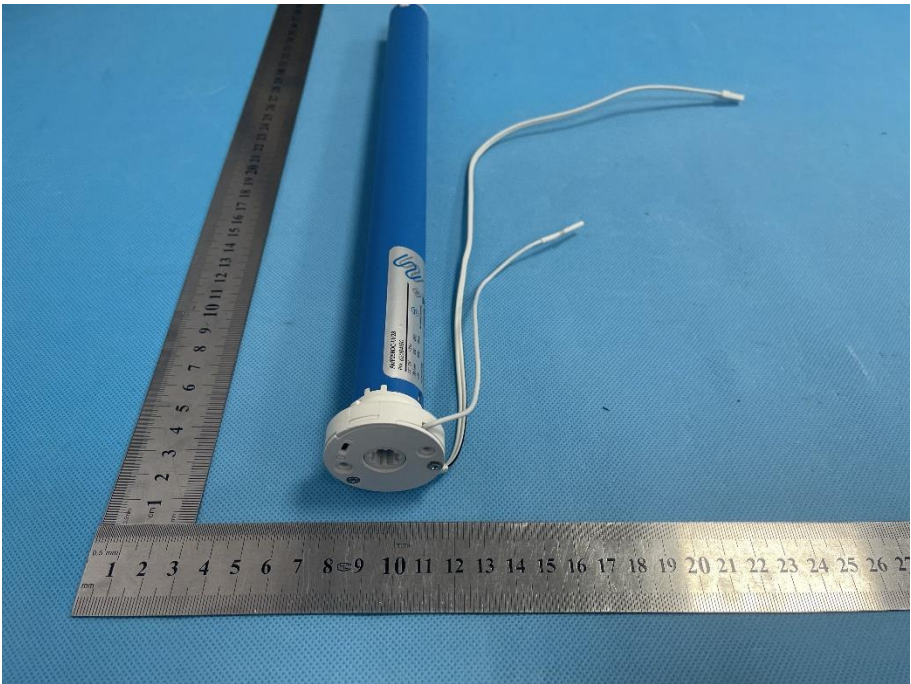

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

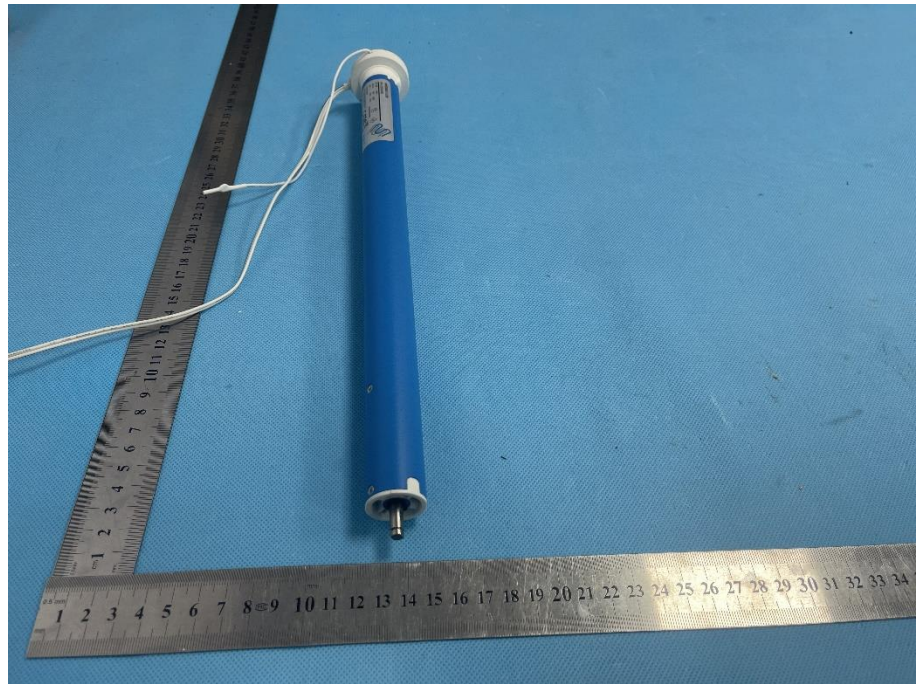

EUT View 1	 A photograph showing a blue cylindrical electronic unit (EUT) with a white label and two white wires. The unit is positioned vertically next to a ruler on a blue background. The ruler is marked in centimeters, ranging from 1 to 44. The unit is approximately 30 cm long. The label on the unit is white and contains some text, including "Core 3". The wires are white and extend from the bottom of the unit.
EUT View 2	 A photograph showing the same blue cylindrical electronic unit (EUT) from a different angle. The unit is positioned vertically next to a ruler on a blue background. The ruler is marked in centimeters, ranging from 1 to 44. The unit is approximately 30 cm long. The label on the unit is white and contains some text, including "Core 3". The wires are white and extend from the bottom of the unit.
