General Safety Instructions

- Unplug the charger from its power source when not in use.
- Do not place the charger near heat sources or open flames.
- Do not operate the charger near water sources or allow liquids to splash the charger and any connected devices during use.
- Do not attempt to clean the charger with any liquid cleaning product or let it be submerged in water for any period.
- Avoid using the charging stand in temperatures which exceed the maximum recommended operating temperature of 77°F (25°C).
- If charging functionality is halted, inconsistent or nonfunctional, it is possible that one of the safety mechanisms in the charger have been triggered and there may be incompatibility with the device plugged into the charger, or due to the area temperature triggering the overheating protection. Alternatively, unplug the device and check for damage to the device, charging cable or charger before attempting to use the charger again.

Product Features

- Apple MFI-certified travel charger for charging iPhones, iPads and Apple Watches at a workspace, bedside table, hotel or conference room
- USB-C output provides up to 30W charging output
- 3W magnetic charging pad charges Apple Watch products quickly and securely
- Supports overcurrent, overload, overvoltage, short circuit, overtemperature and automatic shutoff protections
- Compact size, horizontal wireless charging orientation and foldable AC prongs make this ideal for charging devices while traveling

Package Contents

- 30W USB-C Travel Charger
- Installation Instructions

Operating Instructions

Note: *The charger is intended to be used with smartphones, tablets, handheld gaming consoles and other devices that require 30W of power or less. Attempting to charge a laptop or other device that typically demands greater than 30W of power can result in reduced charging output and overheating of the charger.*

1. Connect the charger to an AC power outlet on a wall, PDU, UPS or furniture that supports AC device charging, such as a lamp or bedside table.
2. Connect a smartphone, tablet, handheld gaming console or other mobile device to the USB-C port on the charger using a compatible charging cable (sold separately).
3. Place an Apple Watch or earbuds capable of magnetic charging onto the 3W MagSafe charging pad.
4. When all devices have been charged to the desired battery level, remove the devices and unplug the charger from its power source.

Specifications

Input	100–240V, 50/60 Hz, 0.3A
Input Plug	NEMA 1-15P
Standby Input Power	0.3W
Output 1 (PD Charging)	USB-C (Female): 5V/3A, 9V/3A, 12V/2.5A, 15V/2A, 20V/1.5A (30W Maximum)
Output 1 (PPS Charging)	USB-C (Female): 5V-11V/3A (30W Maximum)
Output 2	Wireless Charging Pad: 3W Maximum
Device Protections	Overcurrent, overvoltage, overload, short circuit, overtemperature
Operating Temperature	32° to 77°F / 0° to 25°C
Storage Temperature	-4° to 140°F / -20° to 60°C
Operating Humidity	20% to 90% RH
Storage Humidity	5% to 95% RH
Ripple and Noise	≤ 200mVp-p

Specifications

Turn-On Delay	3 seconds
Unit Dimensions (L x W x H)	2.13 x 1.54 x 1.64 in. / 54 x 39 x 42 mm
Unit Weight	0.24 lb. / 110 g

Warranty and Product Registration

1-YEAR LIMITED WARRANTY

We warrant our products to be free from defects in materials and workmanship for a period of one (1) year from the date of initial purchase. Our obligation under this warranty is limited to repairing or replacing (at its sole option) any such defective products. Visit Triplite.Eaton.com/support/product-returns before sending any equipment back for repair. This warranty does not apply to equipment which has been damaged by accident, negligence or misapplication or has been altered or modified in any way.

EXCEPT AS PROVIDED HEREIN, WE MAKE NO WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. Some states do not permit limitation or exclusion of implied warranties; therefore, the aforesaid limitation(s) or exclusion(s) may not apply to the purchaser.

EXCEPT AS PROVIDED ABOVE, IN NO EVENT WILL WE BE LIABLE FOR DIRECT, INDIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES ARISING OUT OF THE USE OF THIS PRODUCT, EVEN IF

Warranty and Product Registration

ADVISED OF THE POSSIBILITY OF SUCH DAMAGE. Specifically, we are not liable for any costs, such as lost profits or revenue, loss of equipment, loss of use of equipment, loss of software, loss of data, costs of substitutes, claims by third parties, or otherwise.

* No purchase necessary. Void where prohibited. Some restrictions apply. See website for details.

FCC Notice, Class B

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

Warranty and Product Registration

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Any changes or modifications to this equipment not expressly approved by Eaton could void the user's authority to operate this equipment.

Eaton has a policy of continuous improvement. Specifications are subject to change without notice.

IC warning

- English:

This device contains licence-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's licence-exempt RSS(s). Operation is subject to the following two conditions:

- (1) This device may not cause interference.
- (2) This device must accept any interference, including interference that may cause undesired operation of the device.

- French:

L'émetteur/récepteur exempt de licence contenu dans le présent appareil est conforme aux CNR d'Innovation, Sciences et Développement économique Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes :

- 1) L'appareil ne doit pas produire de brouillage;
- 2) L'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement
