Federal Communication Commission Interference Statement

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- 1. This device may not cause harmful interference, and
- 2. this device must accept any interference received, including interference that may cause

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one of the following measures:

- Reorient or relocate the receiving antenna.
- Increase separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

WEEE

This product must not be disposed of with your other household waste or treat them in compliance with the local regulations or contact your local city office, your household waste disposal service or the shop where you purchased the product.

Turkey RoHS Compliance

Republic of Turkey in conformity with the EEE Regulation

Turkey Cumhuriyeti EEE Yönetmeligine Uygundur

Safety Guideline for Lithium Battery

This battery must not be disposed of with your other household waste or treat them in compliance with the local regulations or contact your local city office, your household waste disposal service or the shop where you purchased the product.

Industry Canada Statement

-English:
This device complies with Innovation, Science and Economic Development Canada's license-exempt RSS standard(s). Operation is subject to the following two conditions:

- (1) this device may not cause interference, and
- (2) this device must accept any interference, including interference that may cause undesired operation of the device.

French:
Cet appareil est conforme aux normes RSS exemptées de licence d'innovation, sciences et développement économique

NCC 警語

● 取得審驗證明之低功率射頻器材，非經核准，公司、商號或使用者均不得擅自變更其型式、功能及参数；若需变更，必须向原核可机关申请变更，经核准后，始得为之。

● 低功率射頻器材不得擅自移設他處或变更频率及加大发射功率；发现有干擾現象時，應立即停用，並改善或停止使用，以免造成干擾。

● 前述合法操作，指依電信管理法規定之作業之無線電通信、低功率射頻器材須忍受合法通信或工業、科學及醫療用電波輻射性電機設備之干擾。」
