

## Product and safety info

- 1. Full Function Type-C
- 2. HDMI
- 3. USB 3.2
- 4. Full Function Type-C
- 5. Power LED
- 6. Charge LED

- 7. Rotate
- 8. Power
- 9. Headphone Jack
- 10. Micro SD Card
- 11. Rubber
- 12. Fans

## For your safety

Read these simple guidelines. Not following them maybe dangerous or against local laws and regulations. For further information, read the complete user guide.

### INTERFERENCE

All wireless devices maybe susceptible to interference, which could affect performance.

### AUTHORIZED SERVICE

Only authorized personnel may install or repair this product.

### BATTERIES, CHARGERS AND OTHER ACCESSORIES

Use only batteries, chargers, and other accessories approved by HMD Global for use with this device. Do not connect incompatible products.

### KEEP YOUR DEVICE DRY

If your device is water-resistant, see its IP rating in the device's technical specifications for more detailed guidance.

### GLASS PARTS

The device and/or its screen is made of glass. This glass can break if the device is dropped on a hard surface or receives a substantial impact. If the glass breaks, do not touch the glass parts of the device or attempt to remove the broken glass from the device. Stop using the device until the glass is replaced by authorized service personnel.

### PROTECT YOUR HEARING

To prevent possible hearing damage, do not listen at high volume levels for long periods. Exercise caution when holding your device near your ear while the loudspeaker is in use.

- If the body of the product has environmental usage limit slider, content apart from the slider on the body of the product should be referred.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Any Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

**Note:** This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.
