

Assembly w/o Front Cabinet

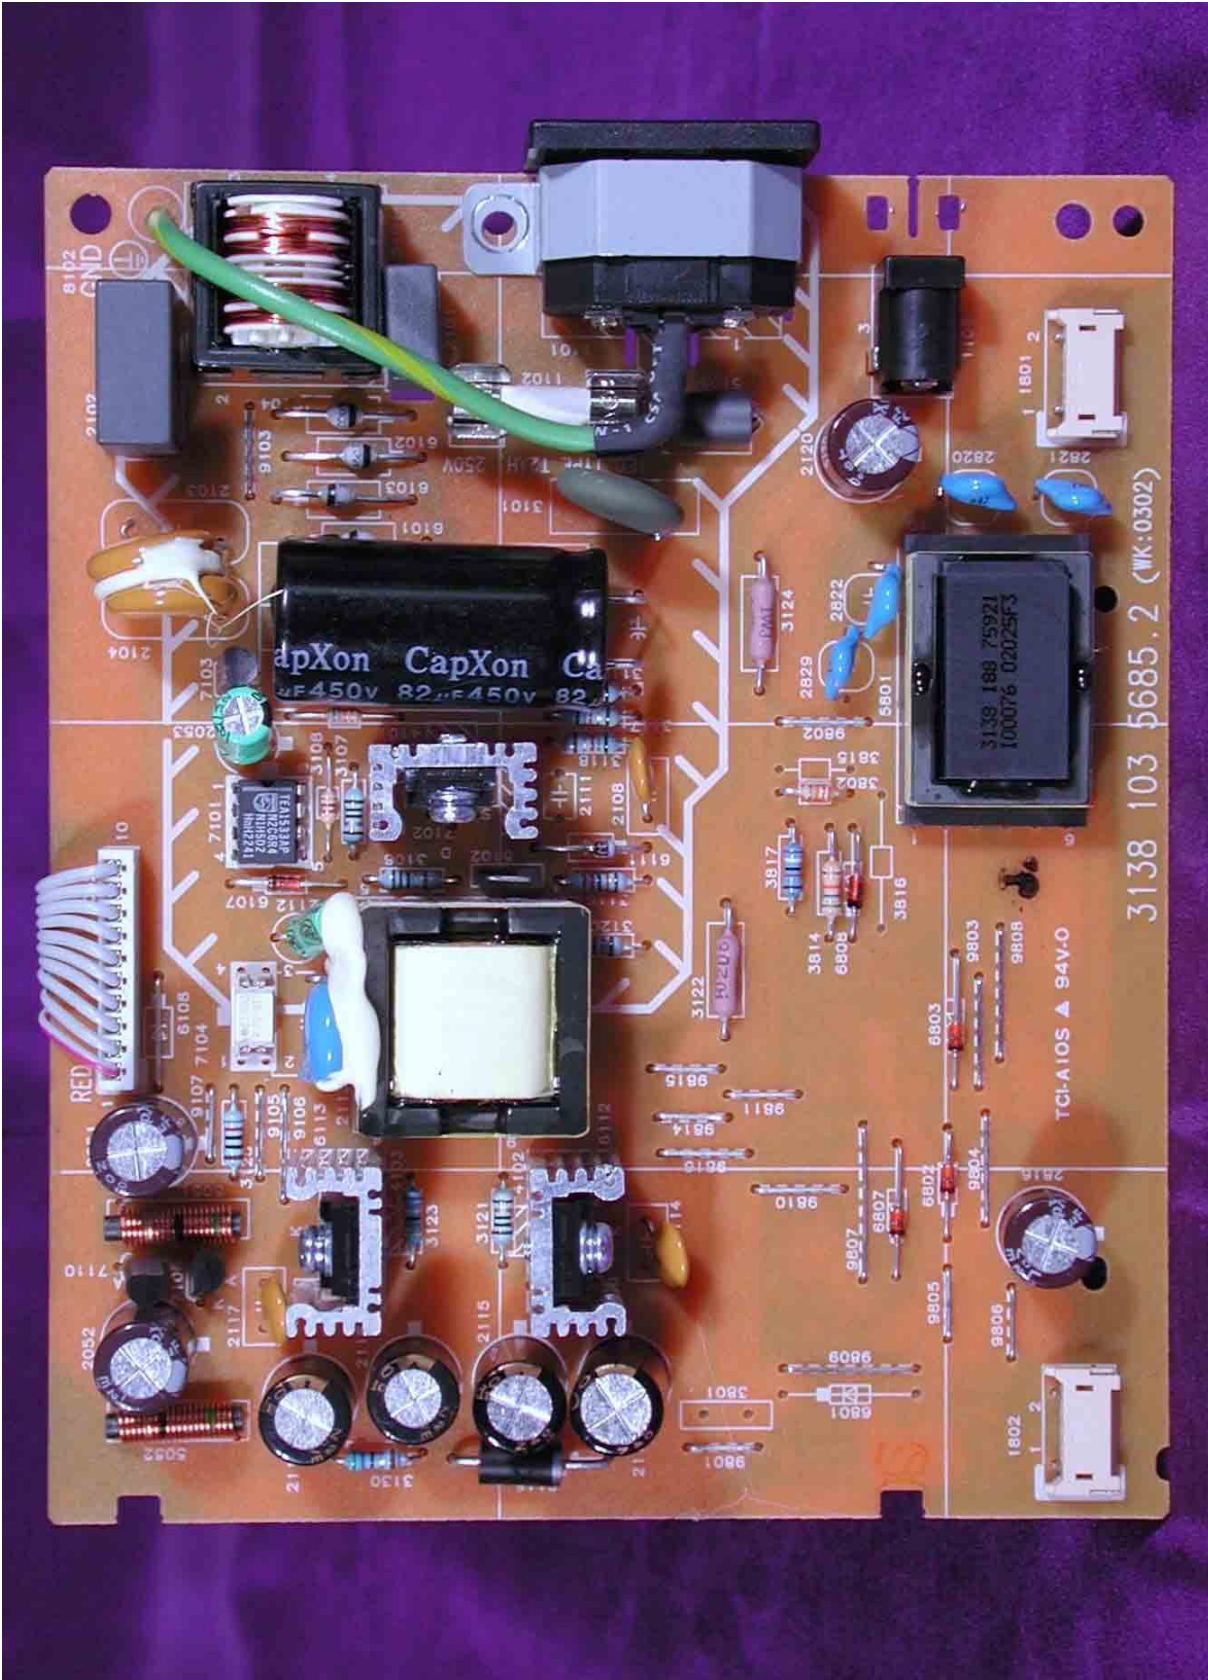

Shielding Cover

The image shows the internal components of a laptop, specifically the motherboard and RAM. The motherboard is orange and features a large black capacitor with "Capxon" branding. The RAM is green and labeled "CPT150XG030". The laptop is marked with "CHUNG-HWA" and "SAT980HA". There are also labels for "HIGH VOLTAGE CAUTION" and "2502H - 0182".
