RE) FCC ID: BRWXR2i change to BRWXR2I

Dear Jaunice:

Good Day. We have updated the BRWXR2I test report and product label to reflect the requested change to all capital letters in the FCC identifier.

I am forwarding you a copy of this correspondence so you will know that these changes have been uploaded.

We are hopeful that these changes will be all that is necessary to comply with the FCC identifier format.

Thank you for your time Jaunice. If there is any further information required, please contact me directly at:
