

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A black, elongated electronic device, likely a USB dongle or external unit, is shown lying horizontally on a blue textured surface. A black USB cable is plugged into the top of the device and is coiled to the right. To the left of the device is a black ruler with white markings, showing measurements in centimeters and millimeters. The device is approximately 10 cm long.
EUT View 2	 A black, rectangular electronic device, likely a USB dongle or external unit, is shown lying horizontally on a blue textured surface. Two circular ports are visible on the front face of the device. A black USB cable is plugged into the top of the device and is coiled to the right. To the left of the device is a black ruler with white markings, showing measurements in centimeters and millimeters. The device is approximately 10 cm long.
