### 3 LABEL TEXT STATEMENT

In order to be FCC compliant, the following label text statement will be put inside the Pulse Sens'O manual user with the following caution statement.

**FCC ID: 2AGTVNKE170062**

**PULSE SENS'O SENSOR**

This device complies with Part 15 of the FCC Rules.  
Operation is subject to the following two conditions: (1) this device may not cause harmful interference and (2) this device must accept any interference received, including interference that may cause undesired operation.

 **Caution:** Changes or modifications not expressly approved by the party responsible for FCC compliance could void the user authority to operate the device. (Cf. FCC Part 15.21).
