Solder Board-Component View 2	 A photograph of a small, white, irregularly shaped printed circuit board (PCB) component. The component has numerous circular solder pads and a central rectangular cutout. It is positioned on a blue textured surface next to a black ruler with white markings. The ruler shows measurements in millimeters (0 to 100 mm) and centimeters (0 to 10 cm).
Solder Board-Component View 3	 A photograph of the same white PCB component from a different angle, showing its underside. The underside features various electronic components, including a large black integrated circuit (IC) labeled 'LAMZU', several smaller components, and solder pads. It is positioned on a blue textured surface next to a black ruler with white markings, similar to the one in View 2.
