SUBJECT: RADIOSHACK, A DIVISION OF TANDY CORP.
FCC ID: AAO2101822

REFERENCE: CONFIRMATION #: EA95712

To Whom It May Concern:

We submitted the application for certification for the above mentioned application on October 19, 1999. After submitting the application, it was brought to my attention that we had made an error on the output power that we put on the 731 form.

This letter is a request to correct the 731 form. The output power should read .30 Watts.
