RE: Re-sending of Label and Users Manual

Dear Ms Elliott,

Please find uploaded to your site:

1. COVER LETTER 2.pdf - A copy of this letter

1. EXHIBIT 8.pdf - This is a Engineering drawing pursuant to Section 2.925 of the FCC Rules. Please note that a Engineering drawing was sent since the label is molded into the plastic and does not photograph well. Please also note that due to the small size of the unit only the FCC ID is placed on the label, the FCC PART 15 Statement is included in the users manual / ' II ' .

2. EXHIBIT 7.pdf - This is the Users Manual pursuant to Section 2.1033 of the FCC Rules, and contains the FCC ID & FCC Part 15 Statement as well.

Regards,

Greg Barbato (for Ken Addy)
