

November 16, 2021

Polaris antenna part number 4019211 is comprised of Linx antenna P/N ANT-916-WRT-SMA with peak gain of 4.4 dBi.

A keyed FAKRA adapter is required to mate the 4019211 antenna with the FAKRA connector on the back of the RC-7W display.

Because a keyed FAKRA adapter is necessary to make the antenna connection to the RC-7W display, compliance is demonstrated with 47 CFR 15.203.
