2. Press and hold the pairing button until the light starts pulsing.
3. Go to Bluetooth settings on your device and make sure the Bluetooth is on.
4. Tap "Earbuds" and connect.

### Specs:

- Operating Temperature: 0-35 degree.

## **EMC COMPLIANCE STATEMENT**

Important: This device, power adapter and other in-box accessories have demonstrated Electromagnetic Compatibility (EMC) compliance under conditions that included the use of compliant peripheral devices and shielded cables between system components. It is important that you use compliant peripheral devices and shielded cables between system components to reduce the possibility of causing interference to radios, televisions and other electronic devices.

## **[USE FOR UNITED STATES & CANADA]**

### **FCC REGULATORY COMPLIANCE**

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.

- Consult the dealer or an experienced radio/TV technician for help.

Changes or modifications not expressly approved by Google could void your authority to operate the equipment.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following 2 conditions:

1. These devices may not cause harmful interference.
2. These devices must accept any interference received, including interference that may cause undesired operation.

#### **INDUSTRY CANADA, CLASS B**

This device complies with ICES-003 Class B limits. [PLEASE ADD FRENCH TRANSLATION]

This device complies with ISED license-exempt RSS standard(s). Operation is subject to the following two conditions: (1) this device may not cause interference, and (2) this device must accept any interference, including interference that may cause undesired operation of the device.

Le présent appareil est conforme aux CNR d'ISDE Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes:

- (1) l'appareil ne doit pas produire de brouillage, et
- (2) l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

### **Specific Absorption Rate (SAR) Information**

The radiated output power of this device is below the FCC and ISED radio frequency exposure limits. These devices have been evaluated for and shown compliant with the FCC and ISED Radio Frequency (RF) Exposure limits. These devices should be used in a manner such that the potential for human contact during normal operation is minimized.

### **BATTERY CHARGER EFFICIENCY**
