Box 702, 343 81 Almhult, Sweden

Justification for Re-use of radio test results

We, **IKEA of Sweden AB**, believe the conducted signal test data on original reports provided by Silicon Laboratories Finland Oy of module 1 (Single Module, FCC ID: QOQMGM210L) and Murata Manufacturing Co., Ltd. module 2 (Single Module, FCC ID: VPYLBEE5HY1MW) can be re-used for the following reasons:

1. Applicant has built in the radio module according to the specific radio module integration guides.
2. The applicant has not modified either hardware or software provided by the module manufacturer.

Test item	Rule Part	Report No.	Justification of re-use
Conducted measurement of Zigbee	FCC 47CFR 15.247	TRA-043305-45-00B	See above
Conducted measurement of Thread	FCC 47CFR 15.247	TRA-043305-45-03B	See above
Conducted measurement of Bluetooth Low Energy	FCC 47CFR 15.247	1802WSU008-U3	See above
Conducted measurement of 2.4G WLAN	FCC 47CFR 15.247	1802WSU008-U1	See above
Conducted measurement of 5G WLAN	FCC 47CFR 15.407	1802WSU008-U4 1802WSU008-U5	See above
