

LL701

Asset Management Terminal Type-C Input voltage: DC 5V Battery: CR123A (3v)

(1) Warning:
Do not use batteries with a voltage higher than 3v
Do not mix batteries of different types and voltages

FCC ID:2AMLF-LL701
Contains FCC ID: 2ANPO00NRF9160
This device complies with Part 15 of the FCC
Rules. Operation is subject to the following two
conditions: (1) this device may not cause harmful
interference, and (2) this device must accept any
interference received, including interference that
may cause undesired operation.
