

Declaration of equivalency

To Whom it may concern

Declaration of electrically identical models

We, Intellion AG, declare on our sole responsibility that the
model: DisTag G4

FCC ID: 2ANAA-LTDISTAGG4

With variants Type 06 and Type 04 are identical in their UHF radio specifications with no differences within the RF circuitry.

The difference between these types is only, that type 06 contains a certified UWB Module (DWM1001C - FCCID: 2AQ33-DWM1001), whereas type 04 contains an ultrasonic receiver instead.

We attest, that the above differences are not touching any regulatory issue nor any RF behaviour of the variants.

All test reports for the variant type 06 are applicable for the variant type 04.

Please do not hesitate to contact us for further explanations or comments.

Sincerely,

Signature
