

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

**EUT Housing and
Board View 1**

**EUT Housing and
Board View 2**

EUT Housing and Board View 3	 A photograph showing the EUT housing and board from a third perspective. The components are laid out on a blue textured surface next to a black ruler with white markings. From left to right, there is a black plastic housing, a black circular component with a motor and wires, and a white plastic housing. The ruler shows measurements in millimeters and centimeters.
Solder Board-Component View 1	 A photograph showing a small green printed circuit board (PCB) component. The component is placed on a blue textured surface next to a black ruler with white markings. The ruler shows measurements in millimeters and centimeters. The component has a small square component in the center and some text printed on it, including "VER1.0", "IPC-M21-010", and "20231031".

Solder Board-Component View 8	 A photograph showing a small green printed circuit board (PCB) component with two circular holes and some solder points. It is placed on a blue textured surface next to a black L-shaped ruler with white markings in millimeters. The ruler shows dimensions from 0 to 100 mm.
Antenna View	 WiFi and BT Antenna A photograph showing a larger black PCB component, identified as the WiFi and BT Antenna. It features various electronic components, including a central chip and several connectors. A red box highlights a specific area on the right side of the component, and a red line points from this box to a label "WiFi and BT Antenna" located below the image. The component is placed on a blue textured surface next to a black L-shaped ruler with white markings in millimeters. The ruler shows dimensions from 0 to 100 mm.
