EUT View 7	 A top-down photograph of a black, handheld electronic device, possibly a game controller or a small console, resting on a light blue textured surface. A black ruler with white markings is placed horizontally across the device. The ruler shows measurements in both centimeters (0 to 100) and millimeters (0 to 10). The device has two analog sticks on the left and right sides, a central touchpad, and several buttons. The overall shape is rectangular with rounded corners.
EUT View 8	 A bottom-up photograph of the same black handheld device. This view shows the underside of the device, including the battery cover, a USB-C port, and various screws and internal components. The device is still on the light blue textured surface.
