How to operate your base station with 2 pocket walkie talkie

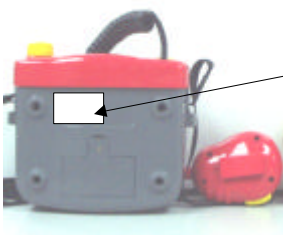

1. Open the battery cover and snap in A-9-Volt battery.
2. Turn the " On-Off" switch to "On" position for the base station & walkie talkie, adjust switches for desirable volume.
3. Your units are now ready to operate and all 3 units can communicate at the same time.
4. Press the "Push-to-talk" button to transmit your voice. Press the "Morse code button" at the same time to transmit morse code.
5. Release "Push-to-talk" button for receiving voice or morse code.
6. When transmitting, speak clearly in a normal voice, holding the set about 3 inches (7.5cm) from your mouth.
7. Best transmission and reception are obtained when the antenna is held in vertical position.
8. Turn the "On / Off" switch to "Off" position after use.
