To Whom It May Concern

Subject: C2PC Request
Applicant: Icom Incorporated
Product: Marine transceiver
Model: IC-M73
FCC ID: AFJ349500

Dear Sir/Madam

Icom Inc. seeks application approval for a Class 2 Permissive Change on the IC-M73 Marine transceiver to add the antenna (FA-S59V).

Since the unit has no PCB change and no components have been added or removed, the unit is identical in design & construction with the original radio.

Sincerely,

Icom Incorporated

Hideji Fujishima
