

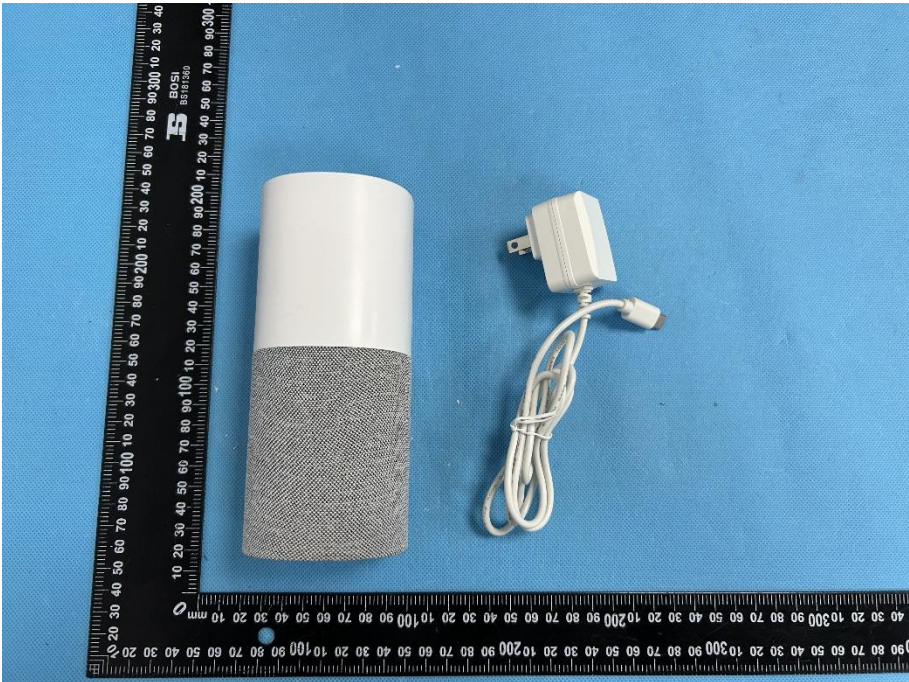

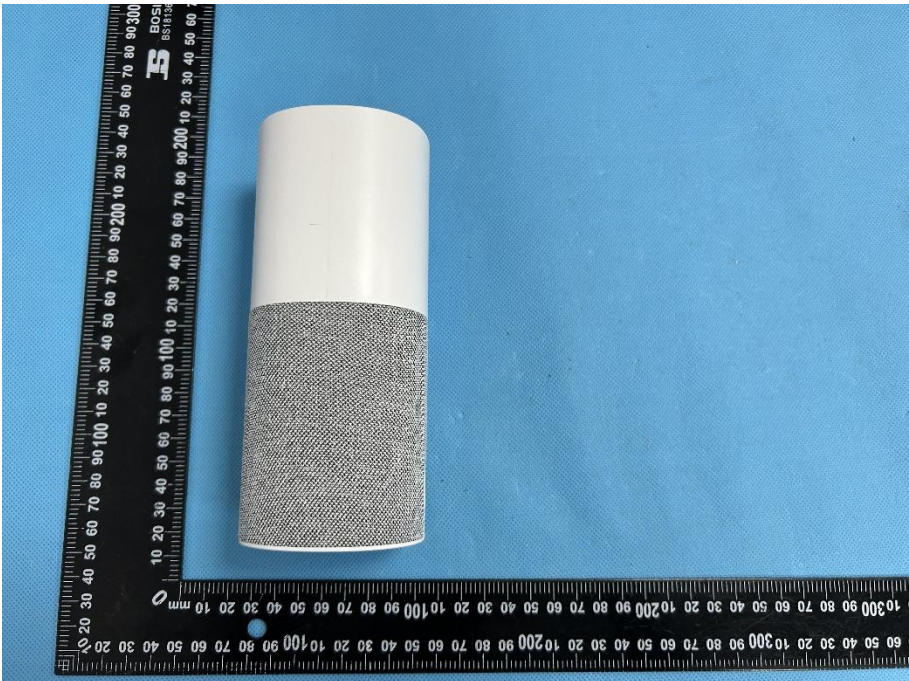

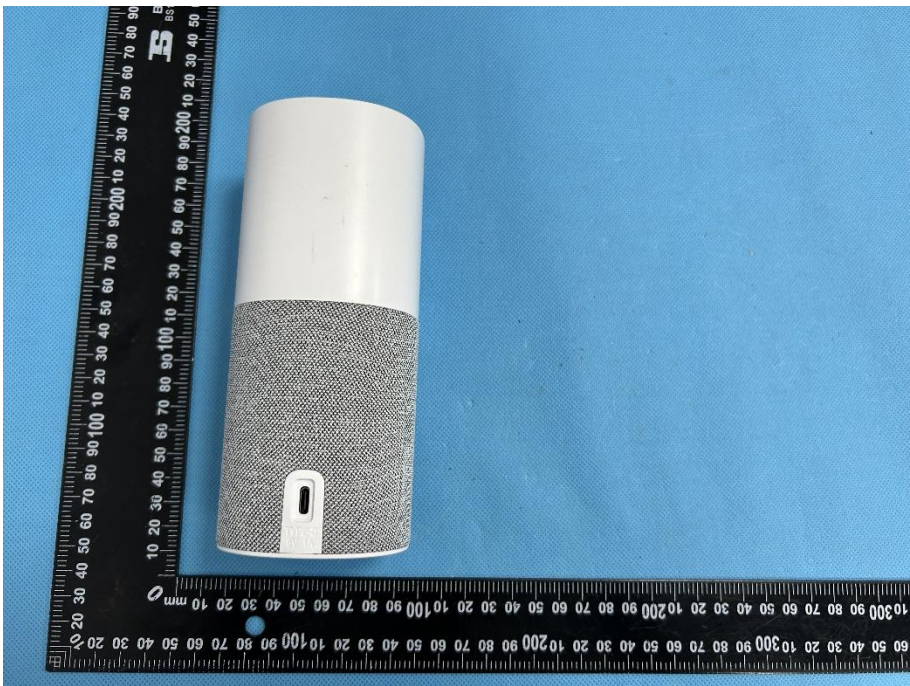

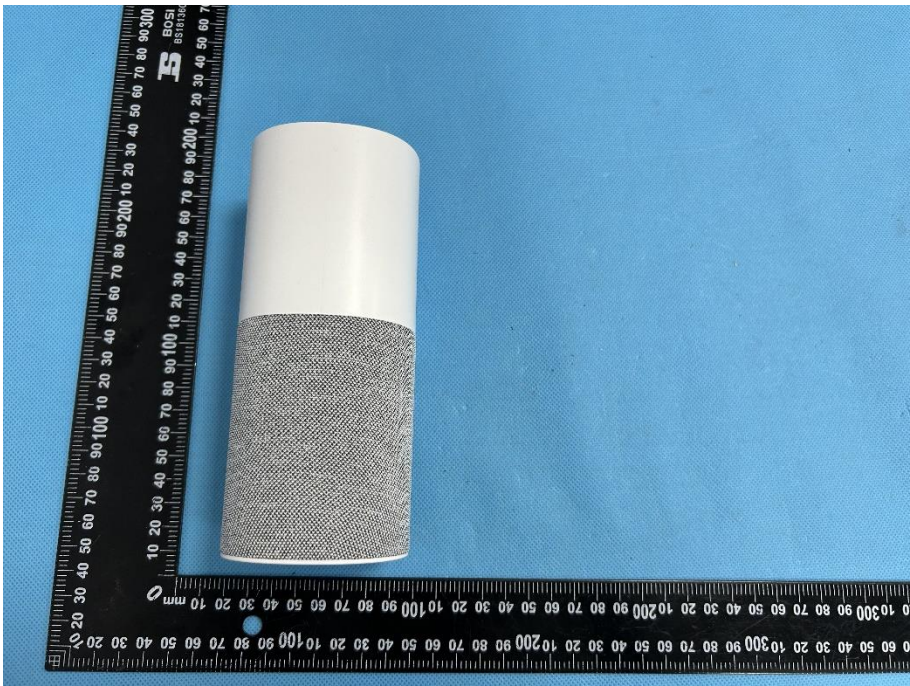

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

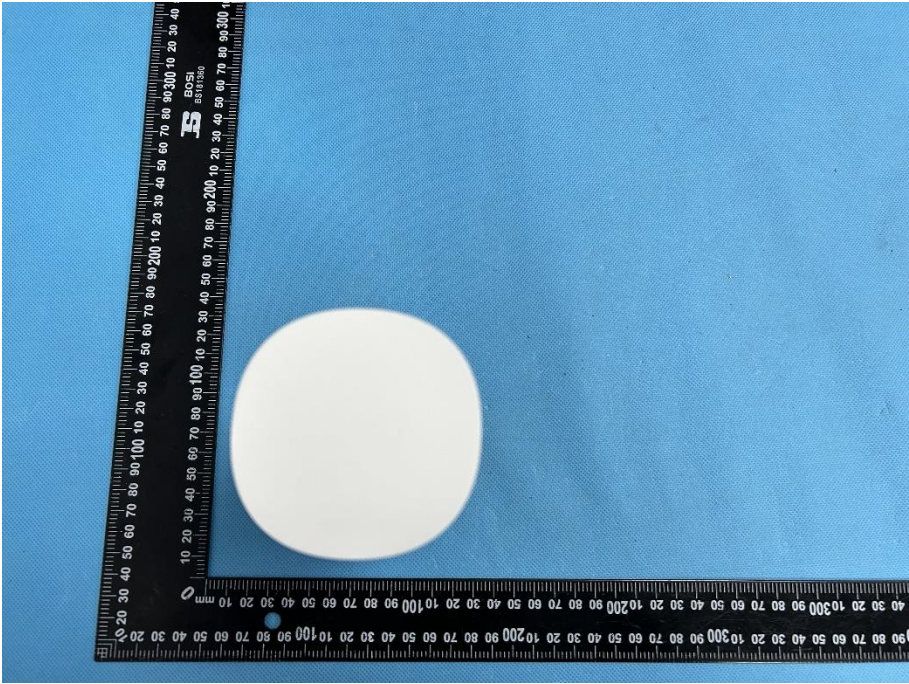

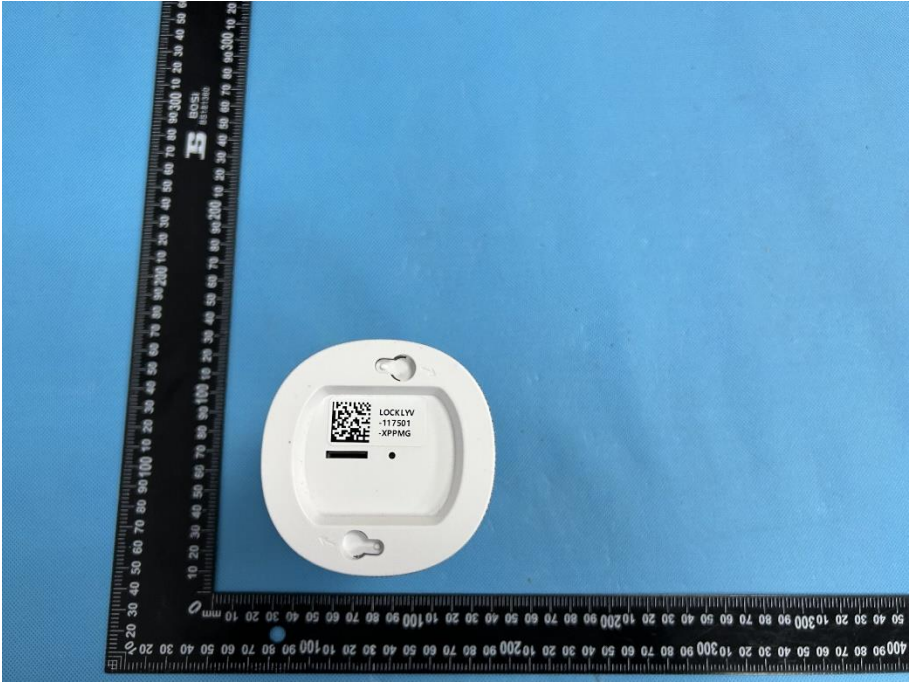

EUT View 1	 A photograph of a white cylindrical electronic device, likely a speaker or a small air purifier, with a grey mesh grille at the bottom. It is placed next to a white power cord with a two-prong electrical plug. A black ruler with white markings is positioned vertically to the left of the device for scale. The background is a solid blue surface.
EUT View 2	 A photograph of the same white cylindrical electronic device from a different angle, showing the grey mesh grille. A black ruler with white markings is positioned vertically to the left of the device for scale. The background is a solid blue surface.

EUT View 3

EUT View 4

EUT View 5	 A photograph showing a white, circular object (likely a USB drive) placed on a blue textured surface. A black ruler with white markings is positioned vertically to the left of the object, showing measurements in millimeters and centimeters. The object is centered horizontally relative to the ruler.
EUT View 6	 A photograph showing the same white, circular object from a different angle, revealing a label. The label contains a QR code and the text: LOCKLV, -117501, -XPPMG. The object is placed on the same blue textured surface, and the same black ruler is visible to the left for scale.
