

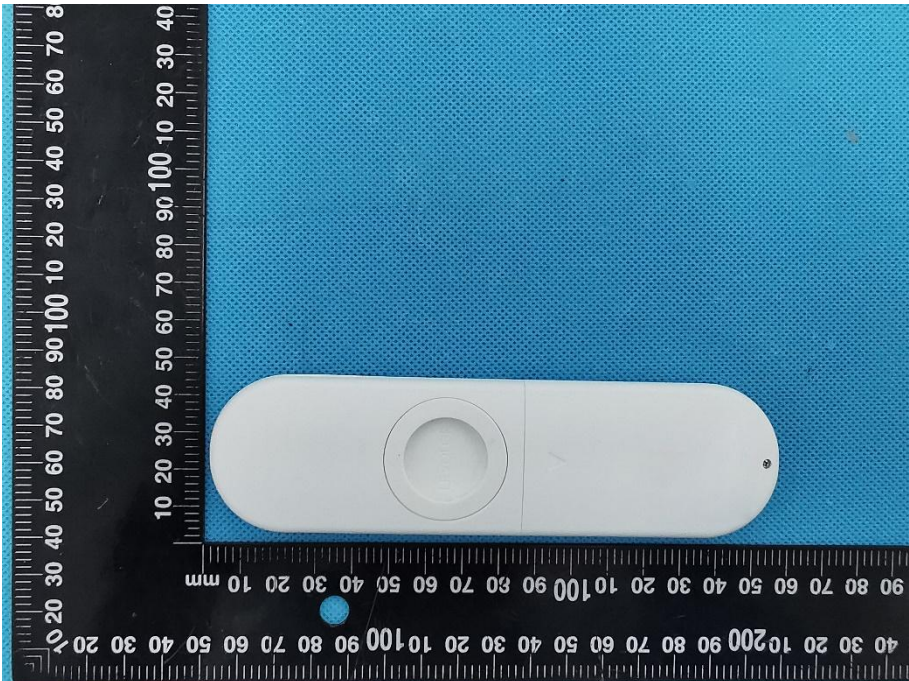

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A photograph of a white, handheld electronic device (EUT) with a small screen and several control buttons. The device is placed next to a black ruler with white markings for scale. The ruler shows measurements in centimeters and millimeters. The device is labeled "LEVOLOR" on its side.
EUT View 2	 A photograph of the same white, handheld electronic device (EUT) from a different angle, showing the back or side view. It is placed next to a black ruler with white markings for scale. The ruler shows measurements in centimeters and millimeters.

EUT View 3	 A photograph showing a white, handheld electronic device (EUT) oriented vertically. The device has a small, dark rectangular screen at the bottom. Above the screen are several circular buttons with symbols: a plus sign, a minus sign, a square, and four arrows pointing up, down, left, and right. The brand name "LEVOLOR" is printed at the top. The device is placed on a blue textured surface next to a black ruler with white markings. The ruler shows measurements in centimeters and millimeters.
EUT View 4	 A photograph showing the same white handheld electronic device (EUT) oriented horizontally. The screen is on the left, and the buttons are in the center. The brand name "LEVOLOR" is printed on the right side. The device is placed on a blue textured surface next to a black ruler with white markings, similar to the one in View 3.
