

Date: Dec. 10, 2024

To Whom it May Concern

Subject : B24 Operations Attestation

FCC ID: 2ALIY-GCM6201NA

We attest the following for B24 operations:

1. In compliance with the requirements section 135 of FCC-20-48A1, this device communicates directly with Ligado network.
2. This device is intended to operate exclusively with Ligado system, which is authorized to lawfully provide service to users within the United States.
3. The system operates under a public FCC license held by Ligado, as authorized by the FCC.

Should you have any questions or comments concerning the above, please contact the undersigned.

Sincerely,

A handwritten signature in black ink, appearing to read 'helen', is written over a horizontal line.
