RE: FCC ID: B6BZR-101AA

Attention: Kanako Sanda

I have a few comments on this Application.

1. Please note that there is more than sufficient room on the device to include the 2 condition statement of 15.19. Please provide a label with this statement and show where it will be located on the device.
2. FYI - Please note that your statement about the antenna(s) in your report does not seem correct. Please note that use only by qualified medical personnel does not meet the meaning of professional installation of antenna(s). However, the antenna(s) appear to be 'integral' to the device and not easily removed. Thus they would appear to meet the antenna requirements. Please verify if the antenna is considered integral to the device. I am checking with the FCC on this issue.
- 3.

Dennis Ward

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information may result in application termination. Correspondence should be considered part of the permanent submission and may be viewed from the Internet after a Grant of Equipment Authorization is issued.

Please do not respond to this correspondence using the email reply button. In order for your response to be processed expeditiously, you must submit your documents through the AmericanTCB.com website. Also, please note that partial responses increase processing time and should not be submitted.

Any questions about the content of this correspondence should be directed to the sender.
