

## Getting started only takes a few easy steps.

1. Create an Iris account through the [irisbylowes.com](https://irisbylowes.com) web portal, iOS app or Android app.
2. Once logged in to your account, select the "+" icon to add a device.
3. Follow the pairing steps.

## Mounting your device:

Attach your Contact Sensor to your preferred window or door. Align the notches one-half inch apart or less, and mount with the double-sided tape or supplied mounting bracket and screws. For door mounting, mount at the top of the door so pets can't knock them off.

## Contact Sensor Manual Guide

## Welcome to Iris.

Thanks for purchasing the Iris Contact Sensor. Mount Contact Sensors at key entry points to trigger alarms and receive notifications if doors and windows are opened unexpectedly.

For more information about your new device or tips on how to set it up, visit our support page at [irisbylowes.com/support](https://irisbylowes.com/support).
