Warnings

- This device uses inductive charging. Do not place metallic objects (aside from devices which support wireless charging) on top of the charging pad.
- Avoid placing phone cases which include metallic portions on the charger. In rare cases it may not be possible to detect smaller metallic objects, such as foil logos on phone cases, and the charger may continue to operate. In these cases, the metallic object will heat up and may cause damage to the device being charged over time.
- This device is designed for indoor use only.
- Do not deliberately damage the device or expose it to damp, direct sunlight or high temperature conditions.
- It is normal for the device to be slightly warm to touch during operation. Provide adequate ventilation and do not cover the device while in operation.
- Disassembling or failing to properly use and care for your device will void the warranty on the product.
- Do not use the product if it becomes damaged as this could pose a risk of causing damage to connected devices.
- Journey bears no responsibility for damage to the device or incidental damages arising from improper use or lack of care. Journey will not be held liable for repair or replacement of the device or other damages in these circumstances.

Warnings

- This device contains licence-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's licence-exempt RSS(s). Operation is subject to the following two conditions:
 - (1) this device may not cause harmful interference, and
 - (2) this device must accept any interference received, including interference that may cause undesired operation.
- Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
- This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.
- If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
 - Reorient or relocate the receiving antenna.
 - Increase the separation between the equipment and receiver.
 - Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
 - Consult the dealer or an experienced radio/TV technician for help.

IC Caution:

Radio Standards Specification RSS-Gert, Issue 5

This device contains licence-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's licence-exempt RSS(s). Operation is subject to the following two conditions:
This device must accept any interference, including interference that may cause undesired operation of the device.

The equipment complies with IC Radiation exposure limit set forth for uncontrolled environment. This equipment should be installed and operated with minimum distance 10cm between the radiator and your body.

Cet appareil contient des émetteurs / récepteurs exemptés de licence conformes aux RSS (RSS) d'Innovation, Sciences et Développement économique Canada. Le fonctionnement est soumis aux deux conditions suivantes:
Cet appareil ne doit pas causer d'interférences.
Cet appareil doit accepter toutes les interférences, y compris celles susceptibles de provoquer un fonctionnement indésirable de l'appareil.

Déclaration d'exposition RF:

L'équipement est conforme à la limite d'exposition aux radiations de la IC établie pour un environnement non contrôlé. Cet équipement doit être installé et utilisé avec une distance minimale de 10 cm entre le radiateur et votre corps.

FCC Compliance Statement

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:
(1) this device may not cause harmful interference, and
(2) this device must accept any interference received, including interference that may cause undesired operation.

FCC Radiation Exposure statement

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with minimum distance 20cm between the radiator and your body. This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

EU Declaration of Conformity

Hereby, ALOGIC Corporation declares that this product is in compliance with Directive 2014/53/EU. The full text of the EU declaration of conformity is available at the following Internet address by clicking on the Compliance Documentation link: journeyofficial.com

AUSTRALIAN WARRANTY

Warranty Period

12 Months

Warranty Terms

ALOGIC Corporation Pty Ltd warrants this product to be free from defects in materials and workmanship for the warranty period stated above from the date of purchase, provided the product is used in accordance with the accompanying recommendations and instructions.

Exclusions

This warranty no longer applies where any defect results from alteration, accident, misuse, abuse or neglect of the product. The warranty does not cover the product failing to operate due to the battery that powers it being depleted. The battery is a consumable item intended to be replaced when it is exhausted.

How to Make a Claim

lease retain your receipt as proof of purchase and return the product with the receipt to your place of purchase to make a warranty claim.

This warranty is in addition to your rights under the Australian Consumer Law.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

For New Zealand customers, this warranty is in addition to statutory rights under New Zealand legislation.
