Dear Sir or Madam:

Telit Communications S.p.A. has applied for, and has been granted Federal Communications Commission (FCC) registration number RI7ME910C1NV, original grant date of August 2, 2017, for its radio module which carries the Telit Communications S.p.A. model number ME910C1-NV.

This letter will grant permission on a one-time basis to BI Incorporated, a company in the USA, to apply for a "Change of Identification" for the above mentioned radio module, with FCC.

Telit Communications S.p.A. understands that BI Incorporated must make this change in order to comply with Federal Communication Commission (FCC) regulations that apply to the BI Incorporated product called SL3, FCC identifier CSQ-SL300A and Telit authorize FCC to use information on file to grant such Change of Identification for this device.

Telit Communications S.p.A. is supplying the ME910C1-NV to BI Incorporated, unmodified and equivalent to the originally certified unit.

The device is being supplied to the applicant unmodified and equivalent to the original approved unit.

The original test results continue to be representative of and applicable to the equipment bearing the changed identification.

Sincerely,

Ken Bednasz  
Vice President of Application Engineering
