Re.: Statement of the change in identification

New FCC ID: SW8UB1100

To Whom It May Concern:

GOOD WAY is marketing under our own New FCC ID, which is multiple listing against TRENDware International Inc. /Original FCC ID: S9ZTBW102UB, granted on July 25, 2005. The equipment marketed differs from the original one in product name and model number. Their circuit and performance are the same, so the original test results continue to be representative of and applicable to the equipment with the new FCC ID.

Sincerely yours,
