Hi Mike,

Pls see our answers belows. Client request to receive grant ASAP.

Question #1: Based upon FCC request for confidential policy, FCC ID label format will not be granted as short term confidential document. Please provide revised request for confidentiality letter by removing this line item.
<answer>pls see revised confidentiality letter.

Question #2: Please confirm that all the photos (test setup photos, photos contain in the SAR test report) are not requested for short term confidential.
<answer>confirmed by client.

Question #3: Part 22/24 Test report: since only 800/1900 MHz frequency band were investigated, please add statement in the section 1 and section 5.1 to indicate that this report is only applicable to 800/1900 MHz operation. This device contains 900 MHz / 1800 MHz functions that are not operational in U.S. Territories. " Please do the same thing for the SAR test report as well.
<answer>pls see revised part 22/24 report and SAR report.

Thanks,

Claire
