EUT View 1	
EUT View 2	

EUT View 3	
EUT View 4	

EUT View 5	 A photograph of a white, circular electronic device (EUT) with a vertical stem and a horizontal bar. The device is positioned on a blue surface next to a ruler. The ruler shows measurements from 14 to 62 cm. The device has a circular base with a small black label and a vertical stem. The horizontal bar is attached to the stem.
EUT View 6	 A photograph of the same white, circular electronic device (EUT) from a different angle. The device is positioned on a blue surface next to a ruler. The ruler shows measurements from 14 to 59 cm. The device has a circular base with a small black label and a vertical stem. The horizontal bar is attached to the stem.
