

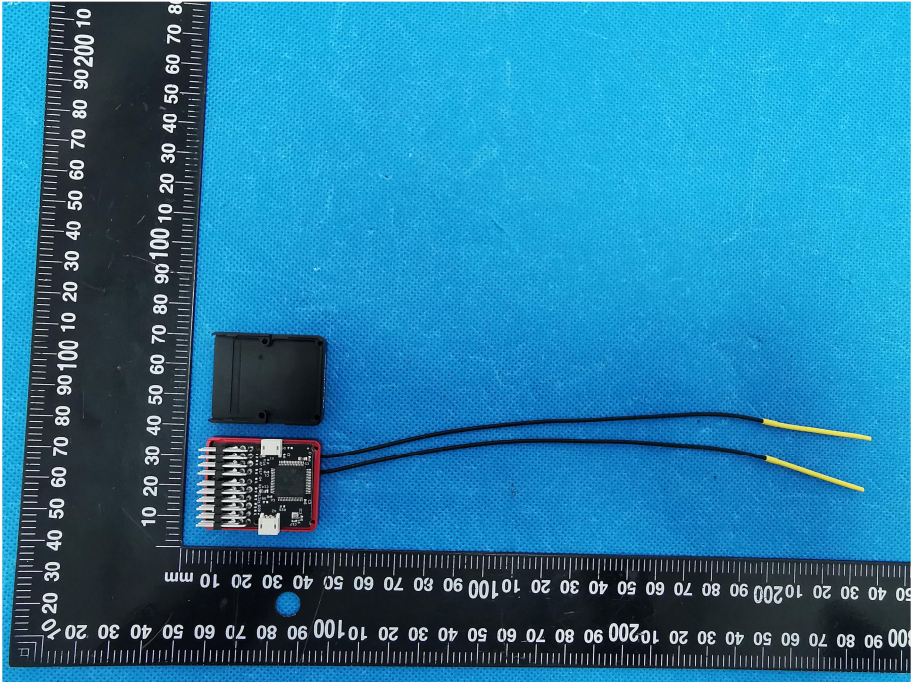

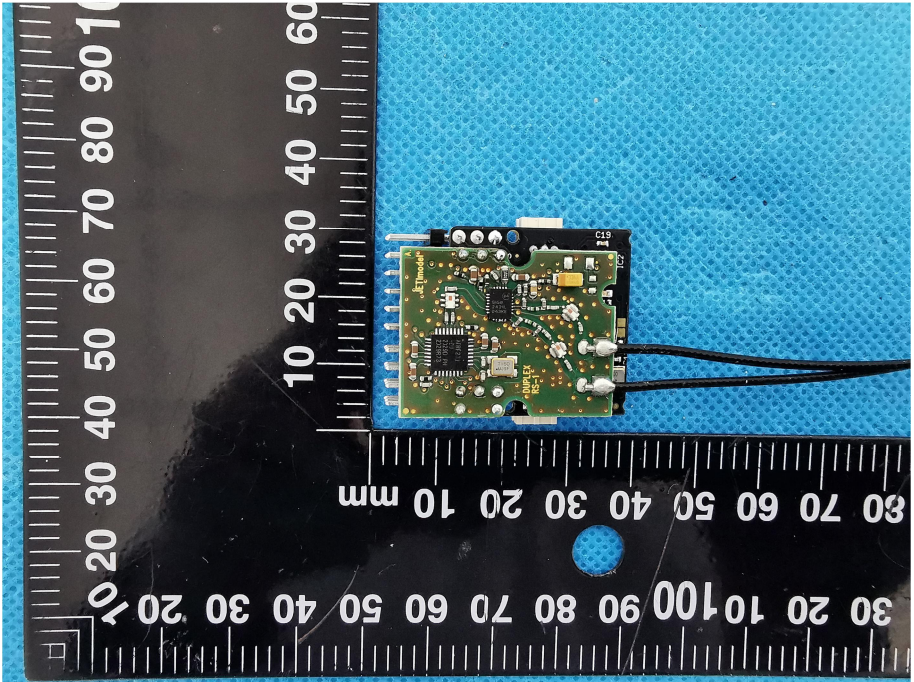

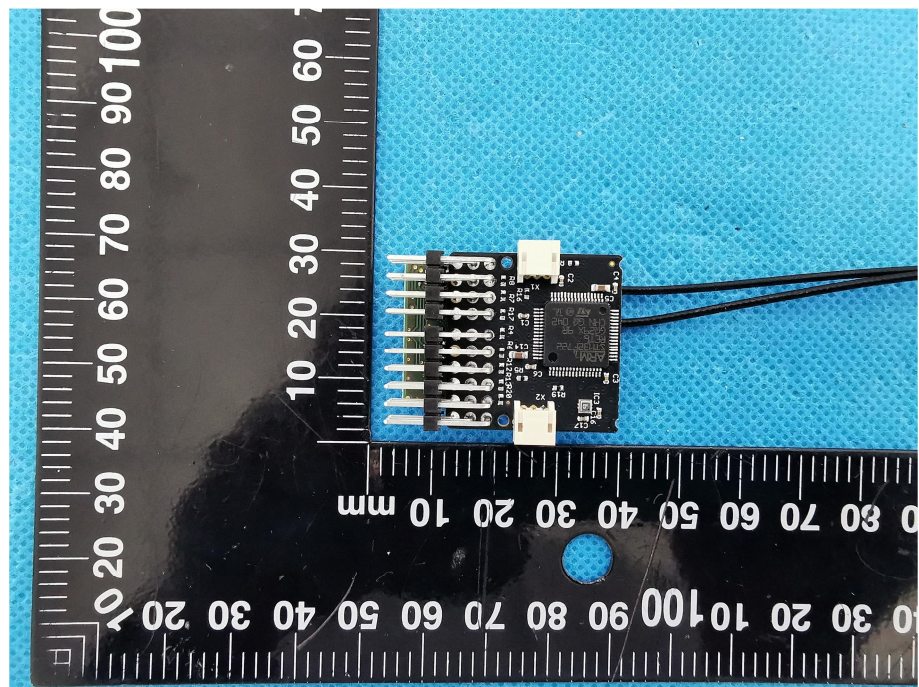

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

EUT Housing and Board View 1	 A photograph showing the external components of the EUT. A black plastic housing is positioned above a red printed circuit board (PCB). Two black wires with yellow insulation extend from the board. A black ruler with white markings is placed vertically to the left of the components for scale. The background is a blue textured surface.
Solder Board-Component View 1	 A close-up photograph of the soldered components on the PCB. A green PCB is visible with various electronic components, including a large integrated circuit (IC) and several resistors. Two black wires are soldered to the board. A black ruler with white markings is placed vertically to the left of the board for scale. The background is a blue textured surface.
