Re: Change in ID/ Change in Multiple Listing

To Whom It May Concern:

Trimble, Inc. ("Company") has contacted Laird Connectivity LLC regarding Company's intention to file applications for a change in identification in the United States pursuant to Section 2.933 of the Federal Communication Commission's ("FCC") rules, and/or a multiple listing in Canada pursuant to Section 5.3 of Industry Canada's ("IC") Certification of Radio Apparatus (RSP-100), with respect to the following:

Authority	Model /Name	Certification ID
FCC	Sterling LWB+	SQG-LWBPLUS
IC	Sterling LWB+	3174A-LWBPLUS

Company has requested Laird's permission to reference, in Company's applications, certain documentation relating to the equipment identified in the table above. This letter is provided to allow Mr. Tony Phan, Trimble, Inc., 935 Stewart Drive, Sunnyvale, CA 94085 USA; tony.phan@trimble.com, 1.408.481.8491, to use the publically available test data and application exhibits submitted to the FCC and to IC on behalf of Laird with respect to the equipment identified above pertaining to the grants of equipment certification covered by this letter.

Company has represented to Laird that its equipment submitted to Industry Canada is identical in design and construction to the equipment approved by Industry Canada as identified in the table above. Based on Company's representation to Laird, Laird declares that the equipment that is the subject of the multiple listing authorized in this letter is identical in design and construction to that approved by Industry Canada under the identification shown above.

This permission to act using data and applications previously filed with the FCC and IC on behalf of Laird is limited to the matters set forth herein. This letter does not, and shall not be construed to, grant rights or permissions beyond those expressly granted to the party named herein. This permission expires automatically one year from the date of this letter.

If you have any questions concerning this letter, please contact me by email at brian.petted@lairdconnect.com or by phone at +1-262-421-4974
