

Date: 12 May, 2014

Federal Communications Commission  
Authorization and Evaluation Division

Subject: Permissive Change Class II for Visonic Ltd's V-Motion MCW  
FCC ID: WP3VMOTIONMCW

To whom it may concern:

The product was originally authorized on June 17, 2013 for FCC certification under  
FCC ID: WP3VMOTIONMCW.

The Class II Permissive change to the original product is as follows:

1. The Murata saw resonator p/n: SARCC315M00KXL0R12 was replaced with  
the RFM saw resonator p/n: RO3073E-1 13

The RFM saw resonator is identically electrical to the Murata resonator.

The device remains electrically similar to the originally certified device.

We request a Permissive Change Class II based on the above.

Sincerely,

Arick Elshtein  
Certification Engineer  
Visonic Ltd.
