

Microsoft Phone MP56 - Teams Edition

The MP56 is an Android 9 based IP phone, features a 7-inch capacitive touch screen and consistent Teams-tailored experience and a faster response speed, it also offers upgradability of firmware SfB edition. This easy-to-use and reliable option is ideal for office workers. The T55A facilitates high-quality collaboration with flexibility thanks to its support for Yealink Optima HD voice and magnet handset, dedicated Teams button, and Bluetooth connectivity for Bluetooth headsets or 'Better Together over Bluetooth' experience.
