

Date: December 17, 2018

Subject: Model version declaration letter

Product: Self-Monitoring Blood Glucose System

Model: MDT2 BLE

FCC ID: 2AQBR-D054

We hereby declare the two versions for the model MDT2 BLE we apply for are totally identical except the differences as follows:

Model	Difference	
	USB Port	Appearance Color
MDT2 BLE	With (CE Version)	Black
	Without (FDA Version)	White
Note: RF parameters for above versions are identical and the differences are in USB port and appearance color.		

Sincerely,

H.P. Su.
