Subject: Request for confidentiality of a water reader, FCC ID:NTAXMETER8

Dear Gentlemen,

We apply to you with request to withhold Telematics Wireless Ltd. trade secrets in Application for Certification for a water reader, model number ETMW, FCC ID: NTAXMETER8. These trade secrets can be found in the reader transmitter and receiver schematic diagrams, file Schematic_16154 (2 pages of this Application) and photographs describing integral antenna configuration, file Antenna views_16154 (2 pages of this Application). The product is professionally installed and its integral antenna is not directly viewable by the public during use or after use. Antenna's mechanical configuration and shape disclose principal design secret.

Many thanks in advance.

Sincerely yours,
