A white, rectangular, battery-powered device with a black strap and a ruler for scale. The device has a small label on its front and a black strap attached to its side. A ruler is placed horizontally below the device, showing measurements in centimeters and inches. The device is approximately 10 cm wide and 5 cm high. The ruler shows measurements from 0 to 30 cm and 0 to 12 inches. The device is white with a black strap and a black label. The ruler is white with black markings. The background is a solid blue color.
