

MODEL VARIANT LETTER

Date: October 30, 2018

Subject: Model Variations for: **FCC ID: 2AKFQ10015 IC: 22165-10015**

Cognosos, Inc. is requesting that the following model numbers be associated with the FCC ID and IC Numbers listed above:

PCA10015-1
PCA10015-2
PCA10015-3
PCA10015-4

The Module can be used in multiple hosts by the applicant and a variety of models are requested as indication of which direction the LEDs face or in populating the optional serial port connector.

Other than the specific differences listed following, all models are electrically identical, with no changes in layout, circuitry or RF Characteristics.

PCA10015-1: LED's facing up; serial port installed
PCA10015-2: LED's facing up
PCA10015-3: LED's facing up, serial port installed, no GPS
PCA10015-4: LED's facing down

Model PCA10015-1 with GPS installed was tested as the worst-case model to cover all models listed above.

Sincerely,

By:
