

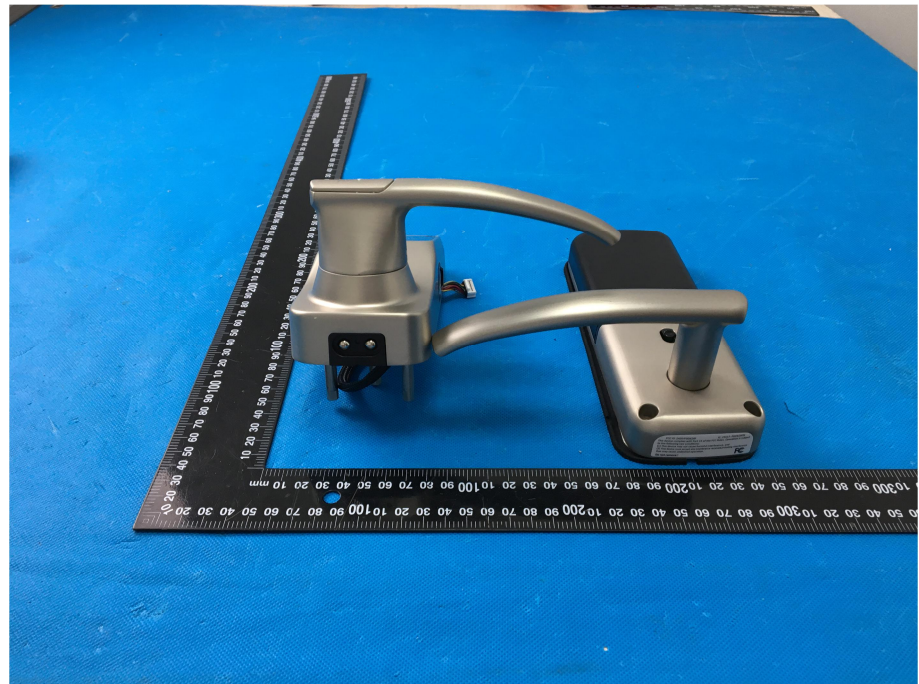

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A photograph of the EUT (External Under Test) device, a handheld electronic device with a silver and black body. The device is positioned vertically against a blue background. A black ruler with white markings is placed horizontally below the device, showing measurements in millimeters and centimeters. The device has a circular button on the front and a small display screen. A white cable is connected to the top of the device.
