SHOT SCOPE TECHNOLOGIES LTD - REQUEST FOR FCC ID CHANGE

To Whom It May Concern:

I am writing on behalf of Shot Scope Technologies to request an FCC ID change to 2AHWR-SS02 from Broadcom's original FCC ID: QDS-BRCM1078 granted on the 11/6/2013. Allowing Shot Scope Technologies to apply for a Class 2 Permissive change via York EMC. The hardware is identical with the original application and the existing report for the Bluetooth module is still representative.

Your sincerely,
